The Cinephile Crew

Hey guys, I was thinking of organizing a marathon for movies this coming weekend. Anybody interested?

Malik

Count me in! What's the plan?

Lila

That sounds amazing! What movies do you have in mind?

I was hoping to watch some indie films that aren't too heavy but also not too light.

Malik

Sounds great! Do you have any specific movie names?

Lila

Have you seen Moonlight or Lady Bird? They are really good movies!

Yes, those are two great options! Any other suggestions?

Malik

I've heard good things about The Farewell and The Big Sick.

Lila

Oh, The Big Sick is hilarious! We should definitely add that.

Awesome, so our options are Moonlight, Lady Bird, The Farewell, and The Big Sick. Can we vote on which ones we want to watch?

Malik

That's a good idea.

Lila

Yeah, let's do that. Also, I can bring some homemade popcorn and drinks.

That would be great! I could bring in some chips and homemade salsa too.

Malik

And I can bring some candy and desserts for us to indulge in.

Nice! So, let's have a poll to vote for our top movie picks and start at 6 pm on Saturday.

Lila

I'm so excited! This is going to be so much fun.

Malik

Me too! Can't wait to hang out with you guys and watch some great movies.
