How did you work on today's topic?

I believed that I could learn about the water cycle even though it was hard at first.

☐ True ☐ False

I gave up when I didn't understand something about the water cycle.

☐ True ☐ False

When I got something wrong, I asked for help.

☐ True ☐ False

I didn't try my best because I thought the water cycle was too difficult.

☐ True ☐ False

I was excited to learn something new about the water cycle.

☐ True ☐ False

I was afraid to make mistakes during the class on the water cycle.

☐ True ☐ False

I kept trying even when the water cycle was confusing.

☐ True ☐ False

I didn't think I could get better at understanding the water cycle.

☐ True ☐ False

Make a drawing of how your mind was working during today's class

Today, my mind looked like this:
