Exit ticket: mindset (elementary)

How did you work on today's topic?
I believed that I could learn about the water cycle even though it was hard at first.
O True O False
I gave up when I didn't understand something about the water cycle.
O True O False
When I got something wrong, I asked for help.
O True O False
I didn't try my best because I thought the water cycle was too difficult.
O True O False
I was excited to learn something new about the water cycle.
O True O False
I was afraid to make mistakes during the class on the water cycle.
O True O False
I kept trying even when the water cycle was confusing.
O True O False
I didn't think I could get better at understanding the water cycle.
O True O False
Make a drawing of how your mind was working during today's class
Today, my mind looked like this:
